JFK ACT RELEASE

Announcing the imminent publication of

JOACHIM JOESTEN'S

TRUTH LETTER

CIA HAS NO OBJECTION TO DECLASSIFICATION AND/OR RELEASE OF CIA INFORMATION IN THIS DOCUMENT

An Antidote to Official Mendacity and Newsfaking in the Press

==========

Joachim Joesten's TRUTH LETTER is primarily designed to keep the readers of his manifold writings about the assassination of President John F. Kennedy (eight printed books, three mimeographed reports) abreast of latest developments in the case. Every book on current affairs must needs stop at a certain point. If it deals with a subject as poignant and disturbing as The Kennedy Murder Fraud, the reader is bound to be left in suspense, anxious to find out what happened next.

TRUTH LETTER is intended to fill this gap by constantly bringing you up to date in the matter with news items, special reports and elucidating comment on the aftermath of Dallas, especially the Garrison enquiry in New Orleans, the continuing extermination of witnesses, the machinations of the FBI and CIA with a view to blocking the breakthrough of truth etc. In addition, TRUTH LETTER will keep you informed about new developments in, and hidden aspects of, the other two political murder cases intimately linked to the "Crime of the Century," to wit the assassination of Senator Robert Kennedy and the slaying of Dr. Martin Luther King.

And, in passing, TRUTH LETTER will also nail a few other official lies.
